## Duration

**Total estimated duration of this e-Learning module is around 8 hours.**

Please note that the effective duration of the learning process is influenced by some different factors:

- The initial background in this field
- The study method
- The attention dedicated to more readings such as in depth contents, useful links, etc.

## Participants

Eligible beneficiaries are National Authority staff dealing with Prevention, eradication and control of Transmissible Spongiform Encephalopathies (TSE) issues in EU Member States, as well as in Non-EU Countries.
